All in all, September 2026 will once again bring a diverse range of topics relating to design and interior trends to Zurich, making them accessible to a wide audience.

A new development is the collaboration with "**Stylepark**", the online platform for architecture and design products. A passion for architecture and design, combined with a strong focus on quality, forms the essence of "Stylepark". The online magazine covers relevant topics and selected projects by architects, interior designers and designers.
